

INTRO FOR "LITTLE OLD LADY"

ARCH: And now, another strange story about ordinary people. Two girls just like you or your daughter or the girl who works next to you in the office. But first, your announcer.

ANNOUNCER: Worried because you're underweight and frazzled out? Miserable because you lack the pep and strength and energy you need these busy days? Well, cheer up. Very possibly you simply need more Vitamin B-1 and iron than you're getting from your food. And pleasant little Ironized Yeast tablets supply both of these vital substances. They've been of amazing benefit to thousands with these deficiencies. Gains of glorious new pep and strength and needed pounds within just a few short weeks are nothing unusual. That's right- Ironized- Yeast-tablets..... And now.....

ARCH: Lights Out.....EVERYbody.
